EDITORIAL COMMUNICATIONS should be addressed to *The Editorial Secretary, British Journal of Surgery, Bristol*. Original articles are invited, and may be forwarded, if desired, to any other member of the Editorial Committee: they are accepted with the understanding that they are contributed to this Journal only.

Papers are best typewritten. Illustrations, whether plain or coloured drawings, or photographs, should be rendered as perfectly as possible. The Publishers undertake the preparation of all blocks, but not the original drawings. Where practicable, articles should conclude with a short summary of their contents. MSS. should be carefully revised, since alterations and corrections in type are undesirable and costly. References should be made after the following form: (BRIT. MED. JOUR. 1912, ii, 579) and inserted in brackets in the text where they occur.

Each contributor of a paper is entitled to 100 free reprints on application, but notice should be given when the proofs are returned.

BUSINESS COMMUNICATIONS should be addressed JOHN WRIGHT & SONS LTD., BRITISH JOURNAL OF SURGERY, BRISTOL. Remittances may be made payable to *The British Journal of Surgery*.

The SUBSCRIPTION price is 25/- per year, or 7/6 for a single quarterly number, post free.
